## EXPERIENCES

---

### UX/UI Design Intern, Anti-Human Trafficking International

Aug 2021 - Oct 2021; Fairfax, VA

- Designed prototypes for organization's site redesign, including a mockup of an interactable map
- Completed four projects and presented to organization's executive board
- Conducted research alongside higher ups on ATI's website statistics

### Historian Chair, Korean Student Association

Aug 2021 - Present; Charlottesville, VA

- Recorded and photographed KSA events, followed with photo editing to post on KSA's Facebook page, liked by roughly 1000 people
- Edited photos and videos using Adobe Lightroom, Photoshop, Audition, and Premiere
- Arranged photoshoots for KSA officer board members

### UX/UI Designer at theCourseForum

Nov 2021 - May 2022; Charlottesville, VA

- Collaborated among peers to formulate and modify a site used by UVA students and faculty
- Proposed numerous page redesigns to modernize and increase intuitiveness of the site

### First Year PR Representative, Korean Student Association

Nov 2020 - May 2021; Charlottesville, VA

- Appointed as a First Year PR Representative for KSA among a group of 20 KSA chair members
- Advertised KSA events through flyers and Facebook posts for 1100 members to view

## COURSES AND TRAINING

---

### Forge UX/UI Summer Training Program

May 2021; Charlottesville, VA

- Developed a greater understanding of UX research and UI design through hands on projects
- Collaborated with group members to produce and present polished projects to instructors
- Received invaluable critique to further enhance my abilities
